Bonds — Lending Money for Steady Interest

BEGINNER FURTHER READING

Want to go deeper on bonds and fixed income? These are free, reputable, well-known resources worth bookmarking.

Investor.gov

https://www.investor.gov/

The U.S. Securities and Exchange Commission's official investor education site. Search “bonds” for plain-English guidance on how fixed income investing works.

Investopedia

https://www.investopedia.com/

A huge library of plain-English financial explainers. Try searching “bond yield”, “coupon rate”, and “interest rate risk” for beginner-friendly deep dives on the concepts from this lesson.

TreasuryDirect

https://www.treasurydirect.gov/

The official U.S. government site for buying Treasury bonds, notes, and bills directly, and for learning how they work from the source.

Please note: these are general educational resources, not personalized financial advice. Always do your own research or speak with a licensed financial advisor before making investment decisions specific to your circumstances.
